

TRANSDEV CANADA IS CERTIFIED GREAT PLACE TO WORK

Brossard, February 7, 2022 - It's official, Transdev is a Great Place to Work® in Canada!

Transdev is proud to announce that it has recently been certified as a Great Place to Work® after a thorough and independent analysis conducted by Great Place to Work Institute® Canada. This certification is based on direct feedback from employees, provided as part of an extensive and anonymous survey about their workplace experience.

«We are beyond pleased to have this certification, and especially proud of our teams. This recognition acknowledges also the major pillars of our business: safety and diversity. I thank all of our employees for their commitment both to accomplishing a mission that is essential to the life of the community and to contributing to making Transdev Canada a company that is constantly improving, and an employer of choice», said Arthur Nicolet, Chief Executive Officer.

Transdev Canada has made diversity and people management its major catalysts for growth. By working with strong policies on inclusion, personal development, and the purpose of the company's role in community life, the company has demonstrated that team pride and commitment are the foundations for healthy and sustainable performance.

Nancy Fonseca, Senior Vice President of Great Place to Work® Canada, says that a great workplace is about the level of trust that employees experience in their leaders, the level of pride they have in their jobs, and the extent to which they enjoy their colleagues. *«Our data shows that great workplaces benefit from stronger financial performance, reduced turnover, and better customer satisfaction than their peers. What's more, work environments with trust at the foundation are ripe for innovation, agility, resilience and efficiency»,* Fonseca said.
